

Amendments to the Specification:

At page one, after the title and before the first sentence, please insert the following paragraph:

--This application is a continuation of International Patent Application Serial number PCT/NL02/00212, filed April 2, 2002; which claims priority from European patent application number 01201259.7, filed April 4, 2001; both of which are hereby incorporated herein by reference.--

After page 20, on new page 21, please insert the following abstract:

--ABSTRACT OF THE DISCLOSURE

The invention relates to a coating for medical devices. The coating comprises a specific copolymer of which the composition may be adjusted such as to achieve an excellent adhesion to a wide range of surfaces. The coating may further comprise an additive, such as a biologically active agent, which may be released *in vivo* in a controlled manner, as the degradability of the coating may also be adjusted to a predetermined rate. The invention further relates to a process for applying the coating to a surface and to a medical device comprising the coating.--

New page 21 of the application with the abstract is also being herewith submitted.
